God's Word can never fail, and it is a blessing to believe this. We can be sure His Word never changes because "Jesus Christ is the same yesterday, and today, and forever." (Hebrews 13:8). We have changed a lot, but Jesus will never change and He will always be with us!

"God forbid: yea, let God be true, but everyman a liar; as it is written, that thou mightest be justified in thy sayings, and mightest overcome when thou art judged." (Romans 3:4)

God will work in our behalf, when we persist in believing Him, no matter how impossible it may seem from the human standpoint. We are not to be moved by what we see, or what we feel but only by what we believe. No person can look at the circumstances or go by their feelings if they truly believe God's Word. The moment a person believes God's Word, in prayer or confession of their faith, God's Power is working for them.

A lot of Christians today do not believe the Ten Commandments are true today. Jesus Christ said, "Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil." (Matthew 5:17) The world will be judged by those commandments, by the Father God Himself. When a person is born again, the Spirit of Christ is in them, and when a person is in Him, they have the ability to keep the commandments. Many people do not want to be reminded about the righteous law of God today. There are principles of His Word that He expects us to live our lives by. Some Christians do not want to be reminded of this when they ask your opinion about what they are doing. They just want you to tell them what they are doing is okay, even if it violates the Word of God.

God's Word is still true and it has not changed. Don't let the devil seduce you into a false sense of security. If you disobey the Word of God there are consequences in this life and in the world to come, or the Bible is not true. "Jesus Christ is the same yesterday, today and forever" (Hebrews 13:8). His Word, Law and Principles will never change. Make a decision to live your life according to His Word and not be deceived. Moses received the one and only version of the 10 Commandments from God. They have not changed. No update required.
